Profile

I am a third-year student at the Faculty of Organizational Sciences, University of Belgrade, majoring in Information Systems and Technologies, with a specialization in e-business technologies. During my studies, I have taken the Financial Management and Accounting course, where I gained fundamental knowledge in these areas. Additionally, in the last semester, I attended the Operations Research course, which focuses on efficient resource allocation for profit maximization using mathematical models.
I have experience in .NET, Java, and web technologies such as HTML, CSS, and JavaScript.
